■ Manipulative and Roguish Mini-Game A clever and unusual skill based mini-game. The player who participates in the mini-game can influence the surrounding game.

■ Canvas-Like Visual Effects of 3D Maps A map display which enhances the 3D design and portrays the world of the game in a lively and sophisticated atmosphere.

■ Variety of Skills and Unique Combinations A huge number of gameplay skills complement the myriad story elements. The player is free to choose the character's name and attributes, and customize his or her field of view and view in the game. The combination of the skills in different combinations gives rise to a variety of styles of play.

■ Devilish Dungeon A dungeon which fills the world with hellish monsters and hazards, so that a twisted and dark story unfolds.

■ Playful Battle System A special combat system where the story is the battlefield. The battle goes on while the hero has to decide on the course of action. The most powerful battle system yet.

■ Explore a World that Only You Can See The incredibly detailed 3D world allows you to see your

surroundings in a wide range of visual angles. ■ Huge Community of Players A vast and deep community, where there is room for all kinds of players. The new law also continues an existing policy — established by former Mayor Michael R. Bloomberg in 2002 — that strictly prohibits so-called chain restaurant companies from using any of their locations as “dripping tanks” to test food for contaminants. The law will be enforced by the Department of Health and Mental Hygiene, which is responsible for food inspection and other health and safety matters, said Mr. Brinckerhoff. The agency will also add inspectors who will monitor whether retailers are complying with the rules and educating restaurant workers on food safety procedures. “I think it’s going to be a real benefit to the public,” Mr. Brinckerhoff said. “We know the importance of food safety, but unfortunately, we also have seen people who have been injured by tainted food that have gone to some medical facilities and they’ve been given antibiotics which, in many cases, are not effective for food poisoning.” The agency also plans to educate consumers on how to properly clean and store their barbecue grills. It is issuing guidance to barbecue businesses and grills on how to address the problem of high levels of lead in

Tons of weapons, including Elden Ring weaponry! More than 10 types of magic! A voice-over feature to communicate with others. Enhanced version of game graphics to create new and exciting experiences. **NEW GAMEPLAY ELEMENTS** • Customization of Your Character and Armor You can customize your character's appearance according to your play style. Choose from more than 20 types of weapons and armor to develop your character, such as muscle strength to become a strong warrior, or mastering magic. The number of upgrades available to your character from leveling-up increases as you progress. As you equip new weapons or armor, your character's skills will increase. • Storytelling that Enjoyably Explains the Video Game The game is a multilayered story with no predetermined ending. The events and battles are shared among various characters, and the thoughts of the characters with which you connect and meet will intertwine with your decisions. After finishing the game, you can go back to the start point and create a new character, or even start over again, and face different challenges and different kinds of enemies. • Swarming Enemies Some enemies appear in a swarm of several dozen, making it difficult to destroy them. Furthermore, their attack

rate and hit rate increase dramatically as you progress in the game.

- Record Your Battles You can make a screenshot in the middle of a battle, and record the screen as a video to watch later. You can post a link to the video as you wish. Furthermore, you can record a screenshot as you choose while watching a video.
- Chance to Encounter Enemies You can encounter enemies who can attack you with large and overwhelming numbers. The rate at which they appear increases as you progress in the game.
- Completely New Scenes of Secret Environments and Optional Access You can access optional content based on the results you get from your battles. An optional scene will be added to the scene list when you achieve certain results in a battle. You can access these optional scenes as many times as you want. In addition, hidden objects will appear depending on the progression of your character, such as their level and attributes.

UPGRADES ◆ A Battle RPG that Transcends Nostalgia ■ A battle RPG that goes beyond the history of VRMMOs with its unique visuals, songs, and CGs Exclusively used in the VRMMO genre, the action technique of the Elden Ring game is an action-

Monster Hunter 4G(3DS) Traditional monster hunting in lush natural surroundings From the creators of Monster Hunter World comes a new entry in the acclaimed series, Monster Hunter 4G (3DS), the official follow-up to Monster Hunter: World. The portably handheld version features gorgeous graphics, easy access to data on remote facilities, and rich environments that keep you excited to hunt. In turn, monster combat is a fast-paced, exciting experience with a deep formula that will provide a satisfying sense of accomplishment for everyone. True to the series' tradition of uniting players who share a passion for monsters, Monster Hunter 4G (3DS) seamlessly blends hunter's skills with coordination and tactical tactics. Hunt to achieve your dreams while overcoming awesome monsters.

- **Stylish Downtown World** Not only can you hunt in the natural environment, such as the flooded areas of volcanic zones, but you'll also discover a bustling downtown world, with beautiful cities in search of their next king.
- **Gritty, Detailed World** Each region, city, and town has an extensive dynamic environment. Hunters and monsters can directly interact with natural elements so their movements are varied and matched to their surroundings. Monster Hunter 4G (3DS) excels in depicting the passions of nature's massive beasts.
- **City Growth and Evolvment** In addition to providing a living, specific cities have their own peculiar characteristics and influence. These create a fascinating play field with new backgrounds as you explore each town.
- **Hunting and Catch System** Hunt in a variety of ways to capture monsters that have been weakened by campfires, ice fragments, bolts, and other weapons in order to strengthen them and make them your own. Capture your favorite monsters by customizing skills and joining quests. Take your favorite monsters to the arena, put them through the tournament, or pass them down to your kids to enjoy.
- **Advanced Controls** Push your GamePad and other digital items even closer to your hands, while returning to traditional controls for ease of use.

Monster Hunter 4G (3DS) is fully compatible with the handheld's features, allowing you to enjoy your handheld during hunting. By the Capcom
