Product Features: 1. Story • Become a main character Choose from one of three different races: Elf, Sylvan, and Demon. Make your own unique character with the combination of traditional face and body, and body, hair, and face form. You can freely customize your character, just like you can customize the appearance of your character. • Make the Lost Memories for Humanity Return The Demon lord's great struggle towards creation began during the Age of Gods. The lost memories of the gods were violently and abruptly erased, and the 'Elden Ring', a myth of man, was lost. (In the 'Elden Ring', the origin of the Demon race is not the result of a divine fate, but a result of the Demon Lord's lust.) Back then, one of the remnants of the 'Elden Ring' was ignited and on the lands of the 'Hazard Lands', the land where Gods, Monsters and Demons coexist, it was sealed away. Now, after countless years has passed and as the story is narrated through experience and memory, the 'Elden Ring' has been revived once again. (The 'Elden Ring' that appeared in the 'Hazard Lands' is a result

of the divine sacrifices of the 'Elden Ring' which were told to the world by the gods in the past.) 2.
