Uncharted 3 PS3DUPLEX

Uncharted 3 multiplayer is available the same time as the single player, but its in beta. They are currently still working out the bugs. However, Naughty Dog expects Uncharted 3 Multiplayer to be ready on PSN in a few months. Uncharted multiplayer is available for online play only. Besides combat, Uncharted 3 will also allow players to use Stealth for cover. This would give players the opportunity to go undetected, while still shooting their enemies. When a player is spotted, there are three possible outcomes: shooting, ejecting, or getting away. Uncharted 3 is very different from Uncharted 2 in other regards, too. Players will now use the D-pad to point their character in the direction they want to go, instead of the traditional left and right controls. You can also run to jump or fire a weapon. There are also grapple points which allow players to slide across the ground and grab onto ledges and windows, and pull themselves along. Players can also use the character's signature move, the Uncharted Spin. Voice cast includes: Nolan North, Justin Roiland, Nolan North, Edward Brown, Laura Bailey, Russell Facchinello, Troy Baker, Christina Hodson, Ziyi Zhang, Michael B. Shear, and Richard McGonagle. You can watch videos of their performances as Uncharted characters below. On the PlayStation Network, all three games in the Uncharted series together have been rated E10+ for mild violence, mild language, mild drug use, and some suggestive/sexual references. According to Siliconera, they are eligible for play in all regions. 5ec8ef588b
