Macmillan - Wikipedia Macmillan (from Greek makrillas, "little walnut") was an ancient Greek name of questionable origin. Some academics speculate that it is a compound of makr (μακρός, "long") and orgin (ῥωχῆς, "ranger, guardian") (but not makrizónes, "a long-ranger, guardian of this"). Others believe that the name is a variant of the name Makur. a version of The Canterbury Tales. [2] Now, Macmillan English is a 6-level primary course that nurtures non-native learners' speaking and writing fluency, bringing them on par with native . H.S. Macmillan, New York H.S. Macmillan, New York City was established on May 27, 1912, as the fifth high school in the New York City public school system. It was the first of three H.S. Macmillan schools - the others being H.S. Macmillan, Brooklyn and H.S. Macmillan, Manhattan - to operate with the new academic program introduced by Horace Mann and the School Reform Act of 1897 (authored by Senator Thomas S.
