Iron Man 2 Game Features : Iron Man 2 is a Third Person shooting game. There are total 6 Characters in the game. Each of the Characters are different from each other. One would think if we compare Iron Man, Tony Stark and with the weaker characters there would be no much. The game is highly detailed and has a great storyline and graphic in it. The game is divided into different levels. Level 1 to level 6 and each level has a different character and several items to buy. Iron Man and Armor also comes with a big weapons and upgrades. In the game Iron Man 2 you can unlock new Character and Armor by playing game and completing level and mission. It also contains a very strong storyline. The gameplay is very addictive and the game has high graphics in it. Iron Man 2 Game Download Full Version. Loading.....

Iron Man 2 Game Features : Tony is one of the most intelligent smart inventions. He creates Iron Man suit and armor. But unfortunately to many years back he got injured which in turn damaged the suit and it has been dismantled. Then the Insurgents attack and destroy the team who are working on the suit and then it gets damaged again so Tony develops Ironman armor 2 and Iron Man 3. Iron Man 3 also comes with Tony Stark, his armor and Ironman armors which is totally new. The first Armor is useful only to the heavy attacks and the second Armor to the light attacks. For example if you hit an enemy with the hand it will be a heavy attack but if you hit the head it will be a light attack. There is also an Armor 6 which is a special armor for Tony which is totally new in the game. Iron Man 2 Game is a addictive game for all the players.
